OFFICE OF THE COMPTROLLER TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

No. 826 IAD

Bangalore, dated 13th March *1930.*

G. F. 140: 29: 9

From

S. SHAMANNA, Esq., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Financial Department, Bangalore.

Sir,

With reference to your letter No.Fl.5411/G.F.140-29-8 dated 11th February 1930, regarding certain adjustments made in the accounts of the Iron Works for the year ending 30th June 1929. I have the honor to state as follows:-

2. Para 3 of the letter under reply mentions the principles for the valuation of the closing stock. It is not clear if in such a case the cost of production should not necessarily include the depreciation charge on Machinery etc irrespective of a ~~part of it~~ profit having been realised I should think that this would be the practice in the case of Companies where valuation of stock is made to depend on market rates. This point may be kindly made clear.

3. Further in some instances, the Works have valued the closing stock at even higher than the market. For example, the closing stock of pipes as on 30th June 1929 have been valued at Rs.120/- per ton, whereas the average market rate was Rs.114/- and in subsequent months this rate has fallen to Rs.109/-

4. Regarding Para 4 of the letter under reply, it is a point for the consideration of Government whether the position under which such large and doubtful adjustments in accounts are made without the previous approval of Government, can be considered as satisfactory and does not require to be revised.

I have the honor to be,
Sir,
Your most obedient servant

S. Shamanna
Comptroller.
